

Mayfair 6 HD

POPULAR

From the Mayfair stable of scooters which have a history of representing strength, durability and reliability this new model gives you the added confidence of an increased total carrying capacity of 460lbs.

PRACTICAL

With suspension on the front and rear of the scooter and as standard PU solid no puncture proof tyres you can be assured of a comfortable ride and always stay in control.

PERFORMANCE

Combines the capability of the largest of Class 3 scooters, with the size and price of a much smaller model. Capable of carrying up to 32.8 stone this 6mph scooter is built for strength yet is light to manoeuvre. The perfect all-rounder.

Keep on moving...

There's a FreeRider for wherever you want to go.

Around town, into the park or countryside, down the street or off for the day trip in the car, there's a FreeRider that can take you there in safety and comfort

FR1

A pleasure to drive, with looks to take pride in, plus a host of comforting safety features and handy extras you'll find useful everyday. The FR1 is the next generation Class 3 scooter for anyone who takes pride in their ride.

LANDRANGER XL8

Ready to carry up to 30 stones, the Land Ranger XL8 is a true heavyweight in our range - longer, and wider than any other FreeRider and as robust, rough and ready as the FR1.

LANDRANGER S HD

Why limit yourself to the tarmac, when the parks, grasslands and countryside are still calling? Our super-strength Land Ranger models are built for the great outdoors.

KENSINGTON

The Kensington is robust and hardwearing, but remains sleek and elegant. More saloon than sporty, the Class 3 Kensington oozes understated style.

CITY RANGER

If your looking for a compact Class 3 scooter, City Ranger leads the pack. The City Ranger is easy on the eye and easy to drive.

KNIGHTSBRIDGE

The Knightsbridge is one of our shorter, lighter and nimbler Class 3 scooters, and its freewheeling 3-wheel design makes it ideal for manoeuvring around the shops.

MAYFAIR

The Mayfair is mid-sized, but appeals to many thanks to its easy driving style on pavements, pathways and passages. It is suitable for both indoor and outdoor use because of its compact turning circle.

MINI RANGER PLUS

The performance and portability of the Mini Ranger with extra improved features for your comfort and reliability!
